Transitional Links – Tracking Students Career Path Beginning to Success

Wednesday December 2, 2009
9:20-4:45

15TH Annual Data Quality Institute

Baltimore, Maryland

December 1-3, 2009

- Marisa Castellano
  - Visiting Associate professor, NRCCTE
- Dennis Fiscus
  - Past President, National Association for Tech-Prep Leadership
- Kim Runion
  - New Hampshire Tech-Prep Director
- Scott Hess
  - Chief, College and Career Transitions Branch, OVAE
- John Haigh
  - Chief, Accountability and Performance Branch, OVAE

Transitional Link -Tracking Students Career Path Beginning to End

1. Is it important to identify and track students in Programs of Study (POS)?

2. What are the characteristics of a POS and/or a Tech-Prep program?

3. What, if any, are the differences in measurement metrics between POS and Tech-Prep programs?

4. What does the Research tell us?
